

# Rockin' In The Suburbs

Charlie Winston

You gotta, you gotta, you gotta  
You gotta open up your mind to another side.  
Another place where the faces smile.  
Gimme a line for words are birds they're flying away.  
Sometimes, when I got too much to say.  
My heart is a pumping, like a rabbit with a foot that's  
a thumping.  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

Well I get a little sick of distractions  
Growing up in a world of attractions  
This is it, this is what I want to do now.  
Just a singing and a playing this a tune somehow,  
Somewhere, there's a pair of eardrums.  
And they shiver to the rhythm of a tom. tom.  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

If you can't switch off but you wanna get off well  
let's go  
(Rockin' in the suburbs).  
If you wanna rock, rock, don't stop 'til the cows come  
home  
(Rockin' in the suburbs).  
Everybody's got a party in their body, it's a one man  
show  
(Rockin' in the suburbs)  
Wow!

Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

Now I feel that the weight is a lifting.  
There's a feeling shifting.  
And the sun is a shining high in the sky like nylon,  
There's a file on everybody wearing the same skin.  
Needing the same thing it's amazing and it's happening.  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

And I'm told that the tables are turning  
There's a people a learning, the curiosity is burning.  
If it hurts you can say that you heard it.  
So 'Mum' is the word. I'm a little bird with a big  
secret.  
Can I trust you to keep it, please?  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

If you can't switch off but you wanna get off well  
let's go  
(Rockin' in the suburbs).  
If you wanna rock, rock, don't stop 'til the cows come  
home  
(Rockin' in the suburbs).  
Everybody's got a party in their body, it's a one man

show  
(Rockin' in the suburbs)  
Wow!

There's a time, there's a place, there's a season.  
There's a reason for leaving the beliefs you believe  
in.

When you're freezing the feeling.  
And you're frozen to the bone.  
So, give it away like a chilli pepper told you.  
Give it up before the f\*cker controls you.  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh  
Ah, ah, ahh, ah, ah, ahh, ah, ah, ahh

If you can't switch off but you wanna get off well  
let's go  
(Rockin' in the suburbs).  
If you wanna rock, rock, don't stop 'til the cows come  
home  
(Rockin' in the suburbs).  
Everybody's got a party in their body, it's a one man  
show  
(Rockin' in the suburbs).  
If you can't switch off but you wanna get off well  
let's go  
(Rockin' in the suburbs).  
Wow!
