

All Love Can Be

Charlotte Church

I will watch you in the darkness
Show your love, will see you through
When the bad dreams wake you crying
I'll show you all love can do
All love can do

I will watch through the night
Hold you in my arms
Give you dreams where no one will be
I will watch through the dark
Till the morning comes

For the light will take you
Through the night to see our light
Showing us all love can be

I will guard you with my bright wings
Stay till your heart learns to see
All love can be
