All Love Can Be

Charlotte Church

I will watch you in the darkness Show your love, will see you through When the bad dreams wake you crying I'll show you all love can do All love can do

I will watch through the night
Hold you in my arms
Give you dreams where no one will be
I will watch through the dark
Till the morning comes

For the light will take you Through the night to see our light Showing us all love can be

I will guard you with my bright wings Stay till your heart learns to see All love can be
