

The Opera Song

Charlotte Church

I have a vision
That no one can imagine
I can see things
That no one sees

I have the wisdom
Knowledge of the future
I'll take you to the end of time
With me

And its a brave new world
That we live in
As we lose ourselves
Tonight

We have no control
Of our feelings
As we journey to the corners
Of our mind

Deep down inside me
Way beyond the silence
I can hear things that no one hears

Questions unanswered
Better left unspoken
I'll take them to the very end
With me

And it's a brave new world
That we live in
As we lose ourselves
Tonight

We have no control
Of our feelings
As we journey to the corners
Of our mind

ooh...
oohh.. (2x)

And it's a brave new world
That we live in
As we lose ourselves
Tonight

We have no control
Of our feelings
As we journey to the corners
Of our mind

```
ooh...
oohh..
ooh...
oohh..
```

Brave new world..
