

5:55

Charlotte Gainsbourg

A cinq heures cinquante-cinq  
Awake with open eyes  
A drift upon the night  
And miles away from land

5:55

5:55

A cinq heures cinquante-cinq  
Ante meridiem  
Too late to end it now  
Too early to start again

5:55

5:55

Soon the morning, it will arrive  
Can I begin another day?  
Whilst this old day is still alive  
Refusing to be put away

5:55

No sleep tonight

5:55

Like a beast awaits its faith  
Laid here with time to kill  
The very dead of night  
Where time and space stand still

5:55

5:55

5:55

No sleep tonight

5:55

A cinq heures cinquante-cinq  
Nothing will ever change  
On the altar of my thought  
I sacrifice myself again and again and again

5:55

5:55

And again  
And again  
And again  
...
