

# Greenwich Mean Time

Charlotte Gainsbourg

Crooked man  
Down a crooked mile  
Crooked backbone  
Crossed out smile  
Crooked cat  
Crooked mouse  
We live together in a crooked little house

We're all fine  
We're all fine  
We fit together like worms on a line  
We're so good  
We're so nice  
We stick together like dirty horse flies

Crooked eyes  
Crooked tooth  
Crooked mind  
Bending back the truth  
A crooked road  
On a crooked town  
Looking down at the crumbs on the ground

We're all fine  
We're all fine  
We fit together like nickles on a dime  
We're so good  
We're so nice  
We talk the mumbo jumbo Greenwich Mean Time
