

Angel

Charlotte Martin

You are my angel
Come from way above
To bring me love

Her eyes
She's on the dark side
Neutralize
Every man in sight

To love you, love you, love you ...
To love you, love you, love you ...
To love you

You are my angel
Come from way above

To love you, love you, love you ...
To love you, love you, love you ...

Her eyes
She's on the dark side

I love you, love you, love you ...
To love you, love you, love you ...
To love you, love you, love you ...
To love you, love you, love you ...

To love you, love you, love you ...
To love you, love you, love you ...
To love you, love you, love you ...
To love you, love you, love you ...

Where'd you go off higher now baby
It's been so long
Where'd you go off higher now baby
It's been so long
Where'd you go off higher now baby
It's been so long
Where'd you go off higher now baby
It's been so long
Where'd you go off higher now baby
It's been so long
Where'd you go off higher now baby
It's been so long
