

Monster

Charlotte Martin

I'm so uncertain of what's growing in my head
That's how it goes when there are ghosts to put to bed
What does it want from me
Certificates of certainty
There must be help around the bend

Oooh what would I do
Without you
What would I do

Am I it's brother, it's mother and it's son
Am I the product of everything it's done
Am I a woman 'cause I'm scared to be a man
I'm reaching deep inside with everything I am

One by one the voices make their rounds
I can't believe
The monster I have hidden in my mouth
It has to scream

Oooh what would I do
Without you
What would I do

Oooh what would I do
Without you
What would I do

One by one the voices make their rounds
I can't believe
The monster I have hidden in my mouth
It has to scream
All at once I give into it's sound
Remembering
The monster I have hidden in my mouth
It has to sing
It has to sing
It has to sing

Did I just have to live the chapter on regrets
Should I just tell myself it's easy to forget
I cannot face my pain the same familiar way again
'Cause we are more than who we are
We are
We are
We are

Oooh what would I do
Without you
What would I do

Oooh what would I do
Without you
What would I do

Oooh what would I do
