

# Mystery Magic And Seeds

Charlotte Martin

One way, shoe shine, taylor street  
one day i'll find brian's feet  
one girl, one girl somehow meet  
home sweet home sweet

fuschia sunset in his eyes  
maybe i could be his sky  
glisten, listen, my surprise  
home sweet home sweet

and if you see him  
ooh please tell him  
that i could dive in  
and someday swim in  
in his sea of mystery and magic seeds

little blondes can also be  
just as deep as red heads breathe  
one chance, romance, missing me  
home sweet home sweet

and if you see him  
ooh please tell him  
that i could dive in  
and someday swim in  
in his sea of mystery and magic seeds  
sea of mystery and magic seeds

wander out til i can find  
brian jumping out my mind  
snatch him, kiss him from behind  
home sweet home sweet
