

The Stalker Song

Charlotte Martin

I don't think I like rejection of my little girl affections it's
not dope
I've been crawling on the walls just hoping you will call while
I've got hair
And teeth
It's not that I don't have a life
Maybe it's sad I'm sort of glad that I'm

I'm normal please date me
I won't call you half as much as you call me
I'm normal please date me
I have only stalked a couple guys but they were not about surpr
ises
Don't run away cause baby I'm your dream

I have got a lot of hobbies some of which include phone calls t
hat hang up
Quick- click
I was somewhat immature you won't believe how getting dumped ma
kes
Girls grow up
All girls that say they don't obsess are full of shit and such
a mess but

I'm normal please date me
I won't call you half as much as you call me
I'm normal please date me
I have only stalked a couple guys but they were not about surpr
ises
Don't run away cause baby I'm your...

There is no restraining order that will separate our love that'
s ever true
Even if I can't convince you my probation officer is kind of cu

I'm normal please date me
I won't call you half as much as you call me
I'm normal please date me
I have only stalked a couple guys but they were not about surpr
