

# Where Is The Cure

Charlotte Martin

A dog named elvis ? bites  
Dj ? sheep ? eyes  
I learn to clean it before it ?  
Uriah's falling underneath

Some air smells bad or stale  
I knew you hate me  
Knew you hate

I can't die again  
I can't lie again  
I can't love again  
I can't run again

Where is the cure?  
Anything cure  
Communion of hate  
Twisted ?  
Dreaming in red  
Answer in head  
Where is the cure?  
Where is the cure?

Too many drugs - i'm out of veins  
The pressure drops each time you rain  
I learn to heat it before it swells  
I learn to suck it before it wells

Some girls are thin or fat  
Learn to love me like that

I can't die again  
I can't lie again  
I can't love again  
I can't run again

Where is the cure?  
Anything cure  
Communion of hate  
Twisted ?  
Dreaming in red
