

Holy Man

Charlotte Perrelli

I just needed love
All I wanted
Tried to hold it back
But I couldn't fight it
I didn't worry
I didn't promise
But he gave me love
When my heart was missing

Holy, holy man tell me why I'm crying
Holy, holy man tell me why I'm sad
Holy, holy man tell me why I'm lying
Holy, holy man father don't be mad

I can't help myself
It's my body
Always going fast
When my heart's moving slowly
I am sorry
I am so sad
There's a power in my
Heart that makes me feel bad

Holy, holy man tell me why I'm crying
Holy, holy man tell me why I'm sad
Holy, holy man tell me why I'm lying
Holy, holy man father don't be mad

Like a fallen angel I was torn
From the righteous path I was born
Tell me what to do to make it right
Make it right

Holy, holy man tell me why I'm crying
Holy, holy man tell me why I'm sad
Holy, holy man tell me why I'm lying
Holy, holy man father don't be mad
