

Bad Bad World

Charlotte Sometimes

Oh I've been thinking it through
And honey, oh honey nothing is new
But it's a bad bad world
It's a bad bad
It's a bad bad world
It's a bad bad

Oh I've been at staring at blue
And honey
Oh honey I've got no news
But it's a bad bad world
It's a bad bad
It's a bad bad world
It's a bad bad bad,
It's a bad bad battle

Everybody says it's gonna get better
Nobody knows when the dust will settle
Everybody thinks they know
Better, better, better, better.

My mama she asked why
Should she listen and why do I cry?
It's a bad bad world
It's a bad bad
It's a bad bad world
It's a bad bad battle

Everybody says it's gonna get better
Nobody knows when the dust will settle
Everybody thinks they know
Better, better

Everybody says it's gonna get better
Nobody knows when the dust will settle
Everybody thinks they know
Better, better, better, better

When I'm here, I'm really gone and
When I'm right I'm really wrong and
When the lights turn off, do not
Turn them on, turn them on

Everybody says it's gonna get better
Nobody knows when the dust will settle
Everybody thinks they know
Better, better

Everybody says it's gonna get better
Nobody knows when the dust will settle
Everybody thinks they know
Better, better, better, better
