

## Sideways

Charlotte Sometimes

Oh I've been thinking past  
But all I got is now  
But it's all good 'til it's not  
And he really freaks me out  
Whatever that's about  
But it's all good 'til it's not  
It's all gold 'til it stops

I always punctuate.  
The words I used to hate.  
But it's all good 'til it's not  
It's all good 'til it stops

Sleep. nobody sleeps.  
Nobody sleeps.  
That's always sideways.  
They want you to.  
Then inside it's true.

The books I read  
They make faces  
They are so mean  
It's all good 'til it's not  
It's all gold 'til it stops

Sleep. nobody sleeps.  
Nobody sleeps.  
That's always sideways.

Everything I ever wanted  
Everything I always asked for  
Just turned to dust.  
I'm looking now  
I'm headed in  
I thought that I was built to win  
But I don't  
But I don't

Sleeps. nobody sleeps.  
Nobody sleeps.  
Well nobody...

Sleep. nobody sleeps.  
Nobody sleeps.  
That's always sideways.  
That's always sideways.  
That's always sideways.
