Let Me Be Your Baby

Charly McClain

Let me be your baby, hold me close tonight
Kiss away the teardrops till the mornin' light
Help a lonely lady make it through the night
Let me be your baby, tell me it'll be all right

Rock me in the cradle of your lovin' arms
Wrap your love around me, keep me safe & warm
Tell a bedtime story & gently tuck me in
Let me be your baby, don't let me be alone again

Be my lovin' daddy & sing a lullaby
Promise me you'll never make your baby cry

Help a lonely lady make it through the night
Let me be your baby, tell me it'll be all right
Let me be your baby, tell me it'll be all right
