

# I DON'T LIKE DARKNESS

Chase Atlantic

Hard to stay awake, I'm so exhausted  
Hard to keep a friend, I guess I'm cautious  
Hide the pain inside, I don't endorse it  
I can't even cry, I guess I'll force it

Funny when my head caved in, I thought I'd lost it  
Might have had a date with death, I guess I dodged it  
I don't want want to feel this pain, I don't like distance  
I don't wanna leave this place if you're not with us

Please don't leave this house, I don't like darkness  
I don't wanna see you out, I don't like darkness  
Hate it when I close my eyes, I don't like darkness  
I don't wanna go outside, I don't like darkness

Darkness to the light, I'll be forever gracious  
Grey in your eyes, your soul must be silver plated  
Though we don't talk, I'll miss our conversations  
I fall apart, you fill up the empty spaces

Funny, now the rain comes down, I sit and watch it  
Every time I hear that sound, I get nostalgic  
I don't wanna feel this pain, I don't like distance  
Even if you leave this place, your spirit's with us

Please don't leave this house, I don't like darkness  
I don't wanna see you out, I don't like darkness  
Hate it when I close my eyes, I don't like darkness  
I don't wanna go outside, I don't like darkness

I don't want to leave this place if you're not with us  
(Darkness to the light, I'll be forever gracious  
Grey in your eyes, your soul must be silver plated  
Though we don't talk, I'll miss our conversations)  
I fall apart, you fill up the empty spaces  
I don't want to leave this place if you're not with us

(After serving the world for over 30 years the space shuttle has earned its place in history and it's come to a final stop)
