

# No Friends

Chase Atlantic

You are listening to Chase Atlantic  
Yeah

I ain't got no friends in this  
You should stay away, I feel aggressive  
I know I asked politely but I'm anxious  
And I don't need you preachin' 'bout whatever  
I might lose my shit and leave forever

I ain't got no friends on the guest list, no  
I ain't got no friends on my mattress, no  
I ain't got no friends, oh, you an actress? Act this  
Walk the fuck away and don't look back, bitch  
No friends, no friends, no friends  
No friends, no friends, no friends  
Please don't be so upset  
No friends, no friends, no friends

No, no friends  
Can't trust nobody, no, no  
I win, I can't pretend, watch me jump out this photo  
Shawty in love with the coco  
These internet niggers free promo  
Got hoes New York like Loso  
Can't trust this nigga they so, so  
Why you all in my face for a photo?  
When I know you been hating on the low, low  
These niggas too lame, they bozos  
100k for a show, there's more though

I ain't got no friends on the guest list, no  
I ain't got no friends on my mattress, no  
I ain't got no friends, oh, you an actress? Act this  
Walk the fuck away and don't look back, bitch  
No friends, no friends, no friends  
No friends, no friends, no friends  
Please don't be so upset  
No friends, no friends, no friends

Hey, I just went back home so many did me wrong  
Yeah, smiling in my face, tryna sing my song  
Play me like a fool, saying that we cool  
Had to leave them fakes, got rid of the snakes  
Yes, the boy got jealous of the man  
Super Chef, had to teach him once again  
Money back feeling romantic  
Chase across the Atlantic  
Work through that, that's why I whip it  
I'm out here looking terrific  
I can take your broad, whole team is a fraud  
I'll keep doing me, ya'll keep doing ya'll  
Do not hit my line, do not beg to call  
I ain't got no time 'cause I ain't got no friends

I ain't got no friends fucking guest list, no  
I ain't got no friends on my mind just no way  
I ain't got no friends, oh, you an actress? Act this

Walk the fuck away and don't look back, bitch  
No friends, no friends, no friends  
No friends, no friends, no friends  
Please don't, be so upset  
No friends, no friends, no friends

No friends  
No friends  
Please don't, be so upset  
(No friends, no friends)  
No friends, no friends, no friends
