

## Right Here

Chase Atlantic

I'm so far from the line, yeah  
I'm too deep in my mind, yeah  
If she calls, I'll be right there  
It's three calls in the night, yeah

Tell me what you think about  
Staying right here instead  
I didn't hear a word she said  
I wasn't that high I swear

Girl, what do you think about?  
Staying right here in bed  
I didn't hear a word you said  
I wasn't that high, I swear

It's happening again!  
I don't give a fuck about your friends  
I'm right here  
Here

Oh baby, take a look around  
I'm the only one that hasn't walked out  
I'm right here  
Here

(I'm right here, here)  
One draw at a time, yeah  
One more you'll be fine, yeah  
And I swore she was right there  
The blue glow and the night wear

Tell me what you think about  
Staying right here instead  
I didn't hear a word she said  
I wasn't that high I swear it

She don't wanna fuck around  
And I don't wanna leave this bed  
I didn't hear a word you said  
I wasn't that high, I swear

It's happening again!  
I don't give a fuck about your friends  
I'm right here  
Here.

Oh baby, take a look around  
I'm the only one that hasn't walked out  
I'm right here  
Here

I'm always ready to go  
I'm calling you, pick up your phone  
I'm on my own  
Girl I've been taking it slow  
You know, I've been taking it slow

(You're sitting alone, why are you sitting alone?  
Baby just pick up you phone, yeah)  
'Cause I've been rolling all day and night

It's happening again!  
I don't give a fuck about your friends  
I'm right here  
Here.

Oh baby, take a look around  
I'm the only one that hasn't walked out  
I'm right here  
Here
