

Buzz Back

Chase Rice

9am came way to fast
my heads pounding like a dynamite blast
tried to sleep in on Saturday
this hangover is sure having its way

but good thing the dogs are playing UT on the TV because thats
reason enough for me to get a 6 pack remedy

I got my buzz back now I'm feelin alright ain't nothing gonna h
old me down tonight because I'm the pilot of this party flight
and I'm callin my buddies its going down bringing last nights g
ood time back around with a couple of beers and my good friend
jack.

I got my buzz back, I got my buzz back yeah.

7 digits sitting in my phone, the thought of her wont leave me
alone. there was making out and making plans.
and maybe tonight we can do it again yeah, I got the nerve to c
all her up and say its me hey cutie how about a bottle of wine
and a movie, and u cuddling up close to me

we got that buzz back and we are feeling alright and nothing go
nna hold us down tonight baby come on over let a love take flig
ht and I'm picking u up and its going down bringing last nights
good time back around with some Chardonnay and a sweet soundtr
ack.

we got that buzz back, we got that buzz back, get your buzz bac
k.
