

My Old Man

Chase Rice

I like my coffee black.
I sure to hate to shave.
I drink a cold six pack
when I watch my Titans play.
I still cut my own grass.
Always try to get to church.
Sometimes I'm fighting man,
but I love so much it hurts.

Hard headed, stuck in my ways.
I could try my whole life,
but I know I won't change.
I don't need a mirror lookin back at me,
cause every day it's clearer and I see,
I've got a lot of my old man in me.

Still miss my home town.
I like fishing in the summer rain.
And I've thrown my voice out at more
than one little league game.
And I'm good with a hammer and nail.
Help my buddies when they get stuck.
Yeah, I've done pretty good for myself,
but I still drive that same old truck.

Hard headed, stuck in my ways.
I could try my whole life,
but I know I won't change.
I don't need a mirror lookin back at me,
cause every day it's clearer and I see,
I've got a lot of my old man..

And every step I take I know there will come a day
where lookin back I'll say I was proud to be..

Hard headed, stuck in my ways.
I could try my whole life,
but I know I won't change.
I don't need a mirror lookin back at me,
cause every day it's clearer and I see,
a lot of my old man in me.

I see a lot of you, dad.
