

# No Way To Live

## Chasing Safety

It's not in your head while sleeping  
The sound of your parents screaming  
I'll wait for you to turn out the lights

Sadness is all that is surrounding  
You run and hide so frantically  
From faces no one seems to see  
They make you wish that you were dead  
That's no way to live, that's no way to live

My hands are steady  
My heart lacks a beat  
My veins are cold as ice  
My blood only knows  
I know nothing but disease

I'm not the one giving up  
How can I make it back to the basics?  
Of growing up and moving on  
Somewhere that I belong

To feel invincible  
I have to pump my veins with this disease  
It's the only way to hide the shaking of my knees  
I'm afraid (I'm afraid)  
I'm so scared (I'm so scared)  
I can't bare to see the shadows down the stairs

Well I'll take a moment  
To live this life from inside your body  
I'll trade my soul with yours  
Live your life with no closed doors  
It's a shame that no one's done this before

I'm not the one giving up  
How can I make it back to the basics?  
Of growing up and moving on  
Somewhere that I belong

I'm not the one giving up  
(I'm not the one giving up)

I'm not the one giving up  
(I'm not the one giving up)  
Don't give up on me  
(Don't give up on)

I've convinced myself  
I won't go to hell  
When I die because I'm living in it

I've convinced myself  
I won't go to hell  
When I die because I'm living in it

It's not in your head while sleeping  
The sound of your parents screaming

I'll wait for you to turn out the lights  
Turn out the lights (Don't Turn out the lights!)

I'm not the one giving up  
How can I make it back to the basics?  
Of growing up and moving on  
Somewhere that I belong
