

I Am Sin

Chastain

The road to heaven is different for us all
The road to heaven is lined with barbwire
My path to heaven is a detour in the road
But it's your heaven, only stories that I'm told

I AM SIN OPEN UP YOUR ARMS
I AM SIN I MEAN NO HARM

Here I am in the middle
Here I am don't say it's the end
Here I am I feel so damn little
Here I am again

I AM SIN OPEN UP YOUR ARMS
I AM SIN I MEAN NO HARM
I AM SIN OPEN UP YOUR ARMS TO ME
I AM SIN I MEAN NO HARM

You don't scare me I've laid with you before
You don't scare me, he guards outside my palace door

I AM SIN OPEN UP YOUR ARMS
I AM SIN I MEAN NO HARM
I AM SIN
I AM YOURS
