Come On Come On Come On

Cheap Trick

Oh baby, feelin' so good
Don't you ruin it tonight, tonight.
It's been so long since I don't know when
Oh treat me, treat me, treat me right.
Don't ever lose me 'cause you're the one.
Show me you're really mine, you're mine

Come on, come on.
Well, I know you can do it
Come on, come on.
Well, there ain't nothin' to it.
Yeah, yeah, yeah, yeah well I know you believe me.
Yeah, yeah yeah, yeah, you can see the real me.

Oh baby, come right here
You were so lonely but now you're here.
It's been so long since I don't know when
Oh come on, come on, do it again.
Don't ever lose me 'cause you're the one.
Show me you're really mine, you're mine

Come on, come on.
Well, I know you can do it,
Come on, come on.
