

# Don't Be Cruel

Cheap Trick

Well you know I can be found  
Sitting all alone  
If you can't come around  
At least please telephone  
But don't be cruel  
To a heart that's true

Baby, if I made you mad  
For something I might have said  
Please forget the past  
The future's bright ahead  
But don't be cruel  
To a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of

Don't stop thinkin' of me  
Don't make me feel this way  
Come on over and love me  
You know I want you to stay  
But don't be cruel  
To a heart that's true

Let's walk down to the preacher  
Let's say "Hey, I do"  
And then I know you'll want me  
And you'll know I want you too

But don't be cruel  
To a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of

Don't be cruel  
To a heart that's true  
Don't be cruel  
To a heart that's true  
Don't need no other love  
Baby, it's just you I'm thinkin' of

Don't stop thinkin' of me  
Don't make me feel this way  
Come on over and love me  
You know I want you to stay  
But don't be cruel  
To a heart that's true

Why should we be apart?  
Baby, you know I love you, cross my heart

Don't be cruel  
To a heart that's true  
Don't be cruel  
To a heart that's true  
Don't be cruel  
To a heart that's true  
Don't be cruel

To a heart that's true  
Don't want no other love  
Baby, it's just you I'm thinkin' of
