Cheap Trick

You've got it, Lolita  
Ooh ooh, ooh ooh  
You've got it, Lolita  
Ooh ooh, ooh ooh

Late at night I give all my loving to my honey  
Babe, tonight I will go out and paint the town  
My lady likes to play down there by the shore  
She gives me all a man could want and more, oh oh oh oh

Ooh ooh, ooh ooh (yeah you've got it)

Squeeze real tight  
I never have to beg now honey  
Lay me down tonight  
Down there by the shore  
My eye is sugar, baby want some more? oh oh oh oh
