

# O Claire

Cheap Trick

Bye bye, love, goodbye  
See you on the other side  
Bye bye, love, goodbye  
I'll see you on the other side

Hurry on, home to bed  
O Claire, you're much younger  
Than I'd ever hoped to be

O Claire, it's so lonely when you're not there  
Anyone can take me where  
The places, they weren't there, O Claire

I hear your heart from here  
But now you're much stronger  
Than I'd ever hoped to be

I swear, gone a place beyond compare  
So lonely when you're not there  
I can step to watch and stare, O Claire

Just between the two of us  
Something 'tween the two of us  
Is more than just the two of us  
Just between the two of us  
O my love, goodbye  
O my love, goodbye

Hurry on home to bed  
Claire you're much stronger  
Than I'd ever hoped to be

O Claire, the nights when you're not there  
Is more than I can bear  
Something only we can share, O Claire

Just between the two of us  
Something 'tween the two of us  
Is more than just the two of us  
Just between the two of us  
O my love, goodbye  
O my love, goodbye

Bye bye, love, goodbye  
I'll see you on the other side  
Bye bye, love, goodbye  
See you on the other side  
Bye bye, love, goodbye

Just between the two of us  
Something 'tween the two of us  
Is more than just the two of us  
Just between the two of us  
O my love, goodbye  
O my love

Bye bye, love, goodbye

See you on the other side  
Bye bye, love, goodbye  
I'll see you on the other side
