

## Shelter

### Cheap Trick

If I had a child, I would shelter it from harm  
If I had a child, I would hold it in my arms  
If I had a child, I would love it as my own  
If I had a home

If I had a mom, I would shelter her from harm  
If I had my mother, she would never lose her grace  
If I had a mother, she would shelter me from harm  
Oh, if I had a mom

If I had a love, I would shelter it from a broken heart  
If I had a heart, I'd surrender it to my love  
If I had my father, he would smile  
If I had my dad, he'd be so kind

If I had a dad, he would tell me I was good  
Oh, if I, if I, if I had a dad, had my dad
