

# Stop This Game

Cheap Trick

Well I can't stop the music  
I could stop it before  
Now I don't want to hear it  
Don't wanna hear it no more  
No more

I can't stop the music  
I could stop it before  
Now I don't wanna hear it  
Don't wanna hear it no more

All I wanna do is stop this game  
It's gonna really end  
Stop this game  
It's such a touchy, touchy thing

Hey, livin' with you  
Is all I wanted before  
I've changed, you didn't  
Don't wanna see you no more

All I wanna do is stop this game  
It's gonna really end  
Oh, stop this game  
It's such a touchy, touchy thing

Well we were walkin' before we could crawl  
And you were lovin' just emotion just all  
It's just emotion wasn't music at all  
Now I can't stop the music  
Now I don't wanna hear it no more  
No more, no more, no more
