Another night slowly closes in And I feel so lonely Touching heat freezing on my skin I pretend you still hold me

I'm going crazy, I'm losing sleep
I'm in too far, I'm in way too deep over you
I can't believe you're gone
You were the first, you'll be the last

Wherever you go, I'll be with you
Whatever you want, I'll give it to you
Whenever you need someone to lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame, I will be the flame

Watching shadows move across the wall It feels so frightening I wanna run to you, I wanna call But I've been hit by lightening

Just can't stand up for fallin' apart Can't see through this veil across my heart, over you You'll always be the one You were the first, you'll be the last

Wherever you go, I'll be with you
Whatever you want, I'll give it to you
Whenever you need someone to lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame, I will be the flame

I'm going crazy, I'm losing sleep
I'm in too far, I'm in way too deep over you
You'll always be the one
You were the first, you'll be the last

Wherever you go, I'll be with you
Whatever you want, I'll give it to you
Whenever you need someone to lay your heart and head upon
Remember after the fire, after all the rain
I will be the flame, I will be the flame

Whatever you want, I'll give it to you Wherever you go, I'll be with you And whatever you want, I'll give it to you Oh whatever you want, I'll give it to you
