Time's not sleeping and time won't lose You can't win 'cause time can't lose So stop (so stop) what you're doin' Start on something new Don't (no don't) don't be hypnotized Don't start thinkin' with your eyes

(I don't know) Why you mean that much to me (You don't know) What it feels like lovin' you (We all know) A change is good for you (That's all right) Gotta do what you gotta do Anyway

All I want is a place in your heart to fall into All I need is someone to love And tonight it's you, tonight it's you

Come to my world Come away with me Smile with your eyes So I can see
