

## Within You Without You

Cheap Trick

We were talking about the space between us all  
And the people who hide themselves  
Behind a wall of illusion, never glimpse the truth  
Then it's far too late when they pass away

We were talking about the love we all could share  
When we find it to try our best to hold it there  
With our love, with our love  
We could save the world if they only knew

Try to realize it's all within yourself  
No one else can make you change  
And to see you're really only very small  
And life flows on within you and without you

We were talking about the love that's gone so cold  
And the people who gain the world and lose their soul  
They don't know, they can't see  
Are you one of them?

When you've seen beyond yourself  
Then you may find peace of mind is waiting there  
And the time may come when you see we're all one  
And life flows on within you and without you
