

## World's Greatest Lover

Cheap Trick

You're the world's greatest lover in my world  
You're the world's greatest lover in my world

In my heart, in my world  
There is no one else  
In the whole wide world  
Yeah yeah yeah yeah

As I sit and write this letter  
And think of home  
As I sit and write this letter  
And think of home

In my heart, in my world  
There is music that I've never heard  
Yeah yeah yeah yeah  
In my world, in my world  
Like I've never heard in my world

I ain't a poet baby, I'm a man  
I'm comin' home darlin', fast as I can  
I ain't a poet, baby  
I'm just a man that loves you  
I love you

You're the world's greatest lover in my world  
You're the world's greatest lover in my world

In my heart, in my world  
There is music that I've never heard  
Yeah yeah yeah yeah  
In my world, in my world  
Like I've never heard in my world, in my world  
I'm comin' home darlin', darlin'
