

You Got It Going On

Cheap Trick

You got it going every night and day
Get it up, put it out I must say
You've got the look and you've got the laugh
You know you're giving me a heart attack

These days nothing makes me feel better
No way, I will never leave, never
Yeah you really give it all you got
Just give me your heart now

You got it going on, yeah
You got it going on
You got it going on, yeah
You got it going on

You got it going now in every way
Get it up, get it, make no mistake
I've got the look and I've got a laugh
Your love is giving me a heart attack now

These days nothing makes me feel better
No way, I will never leave, never
Really, really give it all you got
I gotta see your heart now

You got it going on, yeah
You got it going on
You got it going on, yeah
You got it going on, and on, and on, and on, and on, and on

You got it going on, yeah
You got it going on
You got it going on, yeah
You got it going on, on, on
You got it going on, yeah
You got it going on
You got it going on and on, and on, and on, and on, and on yeah
You got it going on
