Younger Girls

Cheap Trick

Try to bend me, try to shake me Try and turn my head around Oh try to change me, rearrange me I think you know about the boy you found A fantasy like this is hit and run

Younger girls Oh how I love those younger girls Younger girls Oh how I love those younger girls

I had a dream about girls like you You said call us, you'll get two One for your money, two for the show I'll give you something more I know,I know,I know It's hard enough to make you wanna cry

Younger girls Oh how I love those younger girls Younger girls Oh how I love those younger girls

It's hard enough to make you wanna cry And it drives me out of my mind I'm in love with you, baby My poor innocent baby Don't you say maybe

Younger girls Oh how I love those younger girls Younger girls Oh how I love those younger girls

Feels so good, let me in I might jump right out of my skin Don't you ever grow up little girl Sweet young thing, not so innocent

Younger girls Oh how I love those younger girls Younger girls Oh how I love those younger girls
