

Mer

Chelsea Wolfe

Hollow courtship
Run-on, pointless
Faint dreams, creeping endless
Timeless, wasted, fucking jaded
Destroy, demand
Ending
Craving
Seething
Teething
War
War
Hands waving
Hands bleeding

How can you live with yourself?

Cities, countries
Children hunting
Worn, wearing down, down
Hear, speak, breathe, eat, crave, pour, drink, need
Wake, never fully, ever
Shiver, shake
La mer, haunted sexuality, curves, angles
Charcoal to paper
Memory, history
Capsize, explain, express, stomach, take it out, out, out, out,
out, out, out

How can you live with yourself?
