

Two Spirit

Chelsea Wolfe

Two spirit
Two spirit
Two spirit
Two spirit

Time sped up and slowed down
Without regard for anyone
I called out from the deepest part
I feel concave
Inverted for you
I'll be screaming through the afterlife
I'll be hunting for you
Buried under flowers

Two spirit
Two spirit

I want it back
I want it back
What was taken from me
I want it back..

“so stop running
From the weight of existence
Show me your insides
Show me what's underneath
Show me your bruises
Be your own god”
