## **Two Spirit**

## **Chelsea Wolfe**

Two spirit Two spirit Two spirit Two spirit Time sped up and slowed down Without regard for anyone I called out from the deepest part I feel concave Inverted for you I'll be screaming through the afterlife I'll be hunting for you Buried under flowers Two spirit Two spirit I want it back I want it back What was taken from me I want it back.. "so stop running From the weight of existence Show me your insides Show me what's underneath Show me your bruises Be your own god"
