

## Feelin' Single And Seein' Double

Chely Wright

Well I really had a ball last night  
I held all the pretty boys tight  
I was feelin' single seein' double  
Wound up in a whole lot of trouble  
But today I'll face the big fight but  
I really had a ball last night

When I came home from work this mornin'  
My baby was feelin' low  
And he told me what was on his mind  
Then he told me where I could go  
Well I didn't want to go where he told me to  
'Cause the water was cold in the lake  
Now there's somethin' fishy 'bout this whole deal  
I don't see where I made my mistake

Well I really had a ball last night  
I held all the pretty boys tight  
I was feelin' single seein' double  
Wound up in a whole lot of trouble  
But today I'll face the big fight but  
I really had a ball last night

When I woke up this mornin'  
Like me the sun was high  
Well I started walkin' the long way home  
Just to think of an alibi  
Well I couldn't think of a doggone thing  
That hadn't already been said  
So I guess I better just play it by ear  
For I'm already dead

Well I really had a ball last night  
I held all the pretty boys tight  
I was feelin' single seein' double  
Wound up in a whole lot of trouble  
But today I'll face the big fight but  
I really had a ball last night

But today I'll face the big fight but  
I really had a ball last night
