

It Was

Chely Wright

I guess we guess are way through life
How many times do we really know for sure?
I was just hoping for the best
Then I woke up in these lovin' arms of yours
What I felt was unmistakable
When I fell for you

It was real...It was magic
It was calm...It was savage
It was cool as a breeze
It was warm to the touch
It was never enough
It was always too much
It did all the things love does
That's how I knew
It was

Who thought that I could laugh so loud
Then turn around and cry so many tears
I used to have so many doubts
But one by one you made them disappear
What I found was unbelievable
But I believe it's true

It was real...It was magic
It was calm...It was savage
It was cool as a breeze
It was warm to the touch
It was never enough
It was always too much
It did all the things love does
That's how I knew
It was

You asked what I felt when you walked through the door
Was it fear?
Was it clear?
It was all that and more

It was real...It was magic
It was calm...It was savage
It was cool as a breeze
It was warm to the touch
It was never enough
It was always too much
It did all the things love does
That's how I knew
It was

That's how I knew
It was
