

# It Was

Chely Wright

I guess we guess are way through life  
How many times do we really know for sure?  
I was just hoping for the best  
Then I woke up in these lovin' arms of yours  
What I felt was unmistakable  
When I fell for you

It was real...It was magic  
It was calm...It was savage  
It was cool as a breeze  
It was warm to the touch  
It was never enough  
It was always too much  
It did all the things love does  
That's how I knew  
It was

Who thought that I could laugh so loud  
Then turn around and cry so many tears  
I used to have so many doubts  
But one by one you made them disappear  
What I found was unbelievable  
But I believe it's true

It was real...It was magic  
It was calm...It was savage  
It was cool as a breeze  
It was warm to the touch  
It was never enough  
It was always too much  
It did all the things love does  
That's how I knew  
It was

You asked what I felt when you walked through the door  
Was it fear?  
Was it clear?  
It was all that and more

It was real...It was magic  
It was calm...It was savage  
It was cool as a breeze  
It was warm to the touch  
It was never enough  
It was always too much  
It did all the things love does  
That's how I knew  
It was

That's how I knew  
It was
