

# The Love That We Lost

Chely Wright

Going through old dresser drawers  
Fumbling through there closets  
It's got to be here somewhere  
I know it's round here somewhere

Searching from room to room  
We couldn't have just lost it  
I know it's round here somewhere  
It's got to be here somewhere

Maybe we packed it up  
With college books and winter clothes  
Things we thought were in the way  
Out of style or just outgrown

We didn't give it away  
We just left it alone  
We tried to find it one day  
That's when we noticed it gone  
I turned the house upside down  
Praying I'd stumble across  
Some sign that's it's still around  
Got to find the love that we lost

Captured in old picture frames  
Shinning in those faces  
It used to be here somewhere  
I know it's still here somewhere  
Reflected in our children's eyes  
How could we misplace it  
I know it was here yesterday  
How could it just slip away  
it was more than just a box of junk  
We stored away to gather dust  
This was a dream we thought  
We always could reach out and touch

We didn't give it away  
We just left it alone  
We tried to find it one day  
That's when we noticed it gone  
I turned the house upside down  
Praying I'd stumble across  
Some sign that's it's still around  
Got to find the love that we lost  
(2x)

Got to find the love that we lost
