Wouldn't it be cool if all the supermodels tried to look like m e

And wouldn't it be cool if someone's character was something you could see

Wouldn't it be cool if I could fly Get a new perspective from the sky Ooo wouldn't it be cool

Wouldn't it be cool if I could do long division in my head Wouldn't it be cool if I didn't have to edit what I said Wouldn't it be cool if life was fair When someone says, "I love you" they will always be there

If one day you beg and plead for me to take you back I would be so unaffected I would simply laugh and laugh Wouldn't it be cool... cool

Wouldn't it be cool if I could catch you at a restaurant with h er

And wouldn't it be cool if I was strong enough to muster up the nerve

To tell her all the secrets that we had Just to see you squirm and feel as bad as I do Wouldn't it be cool

If one day you beg and plead for me to take you back I would be so unaffected I would simply laugh and laugh Wouldn't it be cool... cool
