

# Alone with Me

Cher Lloyd

We can be the Bonnie and the Clyde of a new day  
We can be a Johnny and a June if you want me boy  
But I'm over here in the corner, boy  
Dreaming about us together

If you wanna go to heaven I'll take ya  
If you wanna get a little hot, I'm on fire boy  
But I'm over here in the corner, boy  
Dreaming about us together

Why you...  
You dance with everyone but  
You don't even know  
It's me that you should hold

Yeah, you  
You dance with everyone but  
They can all go home  
Cause I want you alone  
with me

Me, with me,  
I want you alone with me  
Me, with me,  
I want you alone with...

I could be a diamond in the rough, come and find it  
You could be a Jekyll or a Hyde I can take you boy  
But I'm over here in the corner, boy  
Feels like I've waited forever

If you ever wanted someone to know ya  
I could be the only one who knows how to get you, boy  
But I'm over here in the corner, boy  
Feels like I've waited forever

Why you...  
You dance with everyone but  
You don't even know  
It's me that you should hold

Yeah, you  
You dance with everyone but  
They can all go home  
Cause I want you alone  
with me

Me, with me,  
I want you alone with me  
Me, with me,  
I want you alone with...

Yeah, we can be living large  
I'll take you up to the stars  
So why are we still apart?

Yeah, we can be living large

I'll take you up to the stars  
So why are we still apart?

If you ever want someone to know ya  
I could be the only one who knows how to get you, boy

Yeah, I want you alone,  
Yeah, I want you alone  
with me

Me, with me,  
I want you alone with me  
Me, with me,  
I want you alone with me

Yeah, we can be living large  
I'll take you up to the stars  
So are we still apart?  
I want you alone with me

Yeah, we can be living large  
I'll take you up to the stars  
So why are we still apart?  
I want you alone with me
