

Superhero

Cher Lloyd

I loved you, and loved you
With all that's in my power
I was used and abused
Til I was sweet and sour

I kissed you, I kissed you
And gave you all my sugar
You knew that I'd be useless
If I let you know what you were to me
I thought it would be okay
And we shared everything, no way

And I told you, I told you
how I was such a sad case
You said you could save me
I'm doing the saving

Went to sleep with superhero
And woke up with villain
Killing, and killing my love
Oh what happened?
Don't know what happened
You got me fighting
Like wonder woman

I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero
Oh, oh, oh

I, I, I don't wanna fi-i-ight
don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero
Oh no, don't know what happened.
Don't know what happened

I keep trying and trying
To wrap my head around it
Cryin so can't let
Nobody see how I'm actin

You hurt me, you hurt me
And no not physically
Ain't got no bumps and bruises to show people
What your doin to me
I thought it would be okay
But you see, I heard everything you said

And I knew it, I knew that
you'd turn out to be a sad case
You said you could save me

I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y

I'm no, I'm no superhero
Oh, oh, oh

I, I, I don't wanna fi-i-ight
don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero

I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero

You got me using all my kungfu tricks (tricks)
Hit em' with the roundhouse kick, to the temple
Oh 1234, Hung-Ha-Ho!
TKO, Taekwondo
You know, when you see that
Hand go 'Chop! '
Everything stops, the flows so hot
Like steam from a coffee pot

Rush hour, no traffic
No Jet Lei, just Jackie
You actin like you stay behind, go read up on your classes

You old fake, ole wanna be superman
Give Clark Kent back his glasses man
I hit you with the judo kick so fast
You looked back like "What happened?"

I, I, I don't wanna fi-i-ight
Don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero
