

# Hard Enough Getting Over You

Cher

For the first time, in such a long time  
I've been feeling there's some reason  
To hold on through the night  
And for the first time since  
You broke this heart of mine  
I find myself believing  
It's really gonna be alright

Now you're asking me to let  
You walk back into my life  
Something I can't bring myself to do

'Cause it's been hard enough getting over you  
You kept me holding on till the end  
Oh it's been hard enough getting' over you  
I don't think that I could say goodbye again

I could trust you, but it's out of my hands  
I once believed your promises  
Believed in every word you said  
I still love you but my heart can't take the chance  
That all the pain I've left behind me  
Might be waiting for me up ahead

Just remember it was you  
Who walked right out of my life  
No you don't know what I've been through

'Cause it's been hard enough getting over you  
You kept me holding on till the end  
Oh it's been hard enough getting' over you  
I don't think that I could say goodbye again

Then I made a promise to myself  
And this one I'm not gonna break  
I've made it without you and I'm not about to  
Turn around and make the same mistake

'Cause it's been hard enough getting over you  
You kept me holding on till the end  
Oh, it's been hard enough getting over you  
I don't think that I could say goodbye  
I don't think I could say goodbye  
I know that I can't say goodbye again
