

# I Feel Something in the Air (Magic in the Air)

**Cher**

(Something's In The Air)

I feel something in the air  
Something that was never there  
I feel something started to live in me  
Something only God could give to me  
Could give to me

I feel magic every where  
Even though I'm supposed to care  
About all the things that my neighbors  
Will think of me and how I should act  
When they said what a nice girl  
I used to be, I used to be

My mom will say my god what've you done  
I told you that boy was only a fun  
My daddy will raise like a storm on the sea  
Say now look what you've done to me  
Even though I care, I feel magic in the air

What's a matter with you baby  
Did you fall too hard when you fall in love  
You fall in love  
What's a matter with you baby  
Did you fall too hard

I feel magic every where  
Even though I'm supposed to care  
About all the things that my neighbors  
Will think of me and how I should act  
When they said what a nice girl  
I used to be, I used to be
