

# If I Could Turn Back Time

Cher

If I could turn back time If I could find a way  
I'd take back those words that hurt you and you'd stay

1. I don't know why I did the things I did  
I don't know why I said the things I said  
Love's like a knife it can cut deep inside  
words are like weapons, they wound sometimes

X: I didn't really mean to hurt you I didn't wanna see you go  
I know i made you cry, but baby

R: If I could turn back time If I could find a way,  
I'd take back those words that had hurt you and you'd stay  
If I could reach the stars I'd give them all to you  
Then you'd love me, love me, love me like you used to do  
If I could turn back time

2. My world was shattered I was torn apart  
Like someone took a knife and drove it deep in my heart  
You walk out that door I swore that I didn't care but  
I lost everything darling then and there

X: Too strong to tell you I was sorry Too proud to tell you I was wrong  
And I know that I was blind, and darling

R: If I could turn back time If I could find a way,  
I'd take back those words that had hurt you and you'd stay  
If I could reach the stars I'd give them all to you  
Then you'd love me, love me, like you used to do, oh!

\*: If I could turn back time (If I could turn back time)  
If I could turn back time (If I could turn back time)  
If I could turn back time (If I could turn back time)  
oh! baby

X: I didn't really mean to hurt you I didn't wanna see you go  
I know i made you cry, but baby

R: Oh! If I could turn back time If I could find a way,  
I'd take back those words that hurt you  
If I could reach the stars I'd give them all to you  
Then you'd love me, love me, like you used to do  
If I could turn back time If I could find a way  
If I could turn back time!
