Love Is a Lonely Place Without You

I know I'm not alone I should not be afraid Cause I hear your voice And I know you're there beside me

And so I give my heart I live to love again But I can't let go Of the way I feel about you

Love is a lonely place without you I miss you And you're almost here And I'm almost touching you Love is a place I have to hide away

I'll never love this way again (again)

If love was ever true I know it was with you Cause you touch my soul and You stay with me forever

No tears, no said goodbyes There are no reasons why But I'm holding on I believe in love eternal

Love is a lonely place without you I miss you And you're almost here And I'm almost touching you Love is a place I have to hide away I'll never love this way again (again)

Though I'm moving on I'm still holding on - holding on - holding on

Love is a lonely place without you I miss you And you're almost here And I'm almost touching you Love is a place I have to hide away I'll never love this way again (again)

Love is a lonely place - a lonely place Love is a lonely place - a lonely place Love is a lonely place - a lonely place Love is a lonely place - a lonely place
