

## One Honest Man

Cher

I can't find a four-leaf clover anymore  
I could find it if I wanted to  
I believe if you put your mind to something  
Well there ain't anything in this world  
You could not do

But I can't find one honest man  
Why can't I find me one honest man  
Don't understand

The only thing I ever wanted  
Was a little bouquet of truth from him  
But it gave me all the things  
You can't build love on  
And I am on the wrong side  
Of a broken heart again

Why can't I find one honest man  
Why can't I find me one honest man  
Don't understand

If a little bitty candle  
Can light of the darkness  
Why can't it shine its way through  
I've been waiting a very, very, very long time  
Ain't no man ever gonna be true

Don't understand  
Ain't there a man for me

Why can't I find one honest man  
Why can't I find me one honest man  
Don't understand

Why can't I find one honest man  
Why can't I find me one honest man  
Don't understand

Why can't I find one honest man  
Why can't I find me one honest man  
Don't understand
