

## One of Us

Cher

They passed me by, all of those great romances  
You were, I felt, robbing me of my rightful chances  
My picture clear, everything seemed so easy  
And so I dealt you the blow, one of us had to go  
But now it's different, I want you to know

One of us is crying, one of us is lying  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely,  
One of us is only waiting for a call  
Sorry for herself, feeling stupid, feeling small  
Wishing she had never left at all

I saw myself as a concealed attraction  
I felt you kept me away from the heat and the action  
Just like a child, stubborn and misconceiving  
That's how I started the show, one of us had to go  
Now I've changed and I want you to know

One of us is crying, one of us is lying  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
And one of us is lonely,  
One of us is only waiting for a call  
Sorry for herself, feeling stupid, feeling small  
Wishing she had never left at all  
Never left at all
